Re: Photogenics v. DNA Model Management, 11 Civ 9464 (BSJ) (KNF)

Dear Judge Fox:

I represent the Plaintiff Photogenics and write to secure the Court's permission to file a document produced by Defendant DNA and designated as "Confidential" by Defendant pursuant to a confidentiality stipulation. Plaintiff Photogenics is preparing to file a motion to amend its complaint to add an additional claim related to a foundational document in this action *viz.*, the model management contract between the subject model Lindsay Ellingson and DNA, which Plaintiff will use as an exhibit to the motion. In order to ensure compliance with the express terms of the confidentiality stipulation, I kindly request the Court's permission to file the confidential document under seal. To the extent the Court wishes to review the document in question, I will immediately provide it to the Court upon request. I am hopeful that I will receive your authorization to file the document under seal as soon as feasible pursuant to facilitating the filing of the motion.

Thank you very much for your consideration of this matter.
